2031

COUNTER TERMINAL

PMC 2031 is an innovative counter-top terminal designed to process bet transactions.
With its modular format, it is designed to adapt to challenging environments in town-centre retail outlets or at the racecourse.

INNOVATIVE

The terminal is fitted with the latest technology, including 1D/2D optical reader, interactive customer display and thermal printer.

HIGH-PERFORMANCE

The high-speed optical reader and printer make betting transactions run smoothly and increase operational efficiency.

MODULAR

With its stand-alone printer and client display screen, it offers multiple configuration options in a range of retail environments.

Betting Solutions & Services

PMC 2031

DIMENSIONS
Height 496 mm
Width 357 mm
Depth 400 mm

WEIGHT
15 kg

OPERATING CONDITIONS
Temperature: 5 - 40°C°
Humidity: 5-85% condensation-free

STANDARDS
Complies with 89/336/EEC, ROHS and DEEE standards

OPERATOR INTERFACE

LCD/TFT 15" colour touchscreen (1024x768mm)

CUSTOMER INTERFACE

LCD/TFT 8" colour touchscreen (1024x768mm)
Dualband NFC module
1D/2D and QR barcode reader

SOFTWARE

Microsoft® Windows®
Multi-tasking operating system, downloadable application software (fully scalable)

CPU

INTEL® Dualcore Processor 2 x 3.336GHz
RAM: 4GB DDR4 (expandable to 16GB)
Hard drive: 256GB 2.5'' SATA SSD
Non-volatile memory: 32KB
Video controls: INTEL Graphic Media Accelerator

COMMUNICATION INTERFACES

1 Fast Gigabit Ethernet port
1 HDMI port
4 USB 3.0 ports to the rear
Power supply
Voltage: multi voltage 100 - 240V
Frequency: 50 - 60 Hz
Rated Power: 80W Nominal, 120W max. printing mode

COMMUNICATION INTERFACES

1 internal USB 2.0 port

SCANNER

300dpi 5 Megapixel optical reader
A5 scanner tray (148x210mm)
Scan speed 370 m/second
1D, 2D, QR, OCR and barcode reader
Infrared thermal authentification

PRINTER

203 dpi thermal printer
Print speed: 15cm/second
Lifecycle: 330m paper roll (approx. 3 300 receipts)
Paper width: 82.55mm
